PayPal. The safer, easier way to pay. For more information, read our User Agreement and Privacy Policy.

- If you have a PayPal account "Log in"
- If you do not have a PayPal account click "Pay with a debit or credit card, or PayPal Credit".

If PayPal will not take your credit card?That seems to happen when the credit card is associated with another PayPal account. This is a feature of PayPal to protect the users.

PayPal recognized that that card was associated with a PayPal account, and to prevent fraud, it blocked the credit card, because you were not logged into PayPal.
